

Instructions for attendees

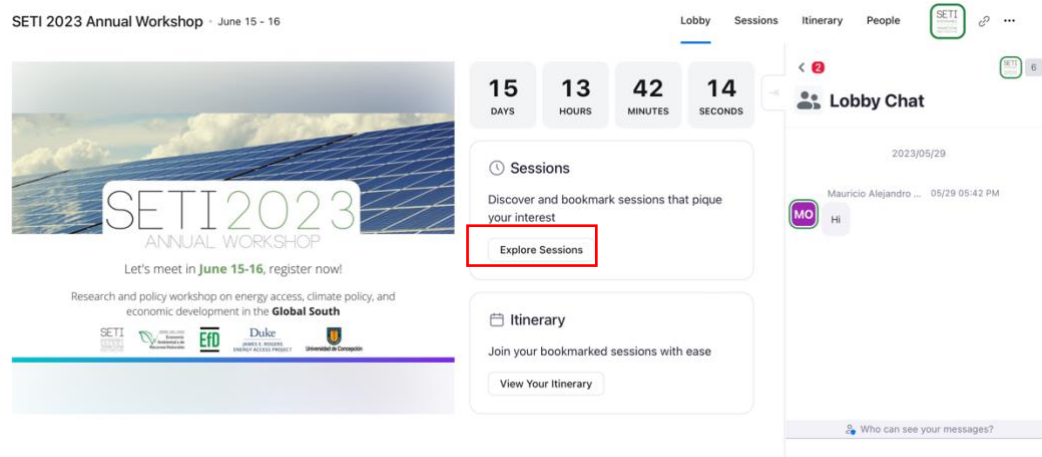

The Sustainable Energy Transitions Initiative
Annual Workshop 2023

June 15-16, 09:00* – 13:00 Eastern Time USA

Website: <https://energyaccess.duke.edu/seti/>

Joining Zoom Events:

1. Install Zoom. The app can be downloaded [here](#).
2. Make sure you sign in with the Zoom account where you registered. You can join the Event by [clicking here](#).
3. You may be requested some additional information; we kindly ask you to fill the short form before you join the Lobby. Please, [check this video](#) in case of assistance.
4. The Lobby will have the following appearance. Please, go to Explore sessions and join the one you are interested in.

5. It is probable that at some point you may be requested additional information for your profile. It is not mandatory, but we encourage participants to use a picture and additional information to increase networking.
6. After joining, you will experience a usual Zoom call.
7. Please, make sure that during the workshop your video and audio are off. This will help in the smooth passing of the workshop. **In case of comments or questions, please use the chat box available in the meetings.**

See you at the workshop!

*June 15 starts at 10:30 AM Eastern Time USA.
